

R E M A R K S

The previously filed amendment was deemed not in compliance with 37 CFR 1.173 because the newly added claims were not underlined. This is corrected herein. Additionally, the Examiner lodged a restriction requirement. The number of claims was reduced to a single independent claim thereby complying with the restriction requirement. Favorable consideration of the new claims is respectfully requested.

Please note that if a time extension is needed, and a corresponding fee is to be paid, the transmittal letter of this amendment authorizes the commissioner to charge the Deposit Account of the undersigned.

Respectfully,  
David Crawford Gibbon
